UNITED STATES BANKRUPTCY COURT
WESTERN DISTRICT OF VIRGINIA

Courtroom Technology

Evidence Presentation

VGA input from most laptops

IOS device mirroring via Apple TV

Document display via document camera

Audio playback to courtroom Sound system

Keys to Success

1. Contact the court first.
2. Visit the courtroom where you will be having the trial.
3. Arrange for a time before your trial to test the equipment with your evidence.
4. Prepare for technology to fail.
