The contractor shall provide all labor, supplies and equipment necessary to provide court reporting services and transcripts of proceedings (including realtime reporting, if applicable) in accordance with 28 U.S.C. § 753, the policies of the Judicial Conference of the United States, and the terms of this Purchase Order (PO). The contractor shall be responsible for obtaining all necessary licenses, permits and fees, and conformance with all laws, regulations, and ordinances applicable to performance under this PO.

1. General

A. General Requirements. The contractor performing work under this PO shall:

- 1) Attend and record verbatim court proceedings on the dates and at the locations specified in the attached Assignment Information Sheet
- 2) Incorporate into the record everything spoken by any individual during a proceeding. The contractor shall never consider anything any person says to be “off the record” unless the presiding judicial officer expressly designates a portion of the proceeding as such. The contractor shall preserve the integrity of the record at all times that the record is in his/her possession.
- 3) Promptly produce transcripts of court proceedings when requested by a judge or by any party who has agreed to pay the fees, following the format, delivery time and method, and fee requirements stated in the transcript order.
- 4) For each transcript ordered, deliver one (1) certified copy of the transcript to the clerk of court for the records of the court, in the medium prescribed by the clerk (paper or electronic) without additional charge.
- 5) When requested by a party to redact personal information from a transcript, as permitted by Volume 10, Chapter 3, § 330, Guide to Judiciary Policy, (available at <http://www.uscourts.gov/rules-policies/judiciary-policies/privacy-policy-electronic-case-files>), the contractor shall make such redactions and deliver a certified redacted transcript to the clerk of court. Delivery of a redacted transcript to the clerk of court shall be in addition to, rather than in lieu of, delivery of the original unredacted transcript.
- 6) During the 90 calendar days following delivery of the original transcript to the clerk of court, promptly notify the clerk of court of any party who has purchased the transcript of a proceeding to ensure the court provides the party with electronic access to the record in the court’s Case Management/Electronic Case Filing (CM/ECF) system prior to public posting of the transcript.
- 7) Comply with all filing and reporting requirements of this PO.

B. Title to Records/Copyright of Transcripts.

- 1) Title to the records of any proceeding that the contractor reports shall vest in the Court at the time of creation of the records. Such title includes title to the medium in which the contractor records the proceedings, except that if electronic sound recordings are made by the contractor for back-up purposes, they shall remain the property of the contractor, but the contractor shall make such sound recordings available to the Court upon request of the Contracting Officer if it is determined the principal record of the proceedings are defective.
- 2) Transcripts produced from records of proceedings in United States courts are in the public domain and are not protected by copyright. The contractor shall not include any statement or symbol on a transcript that would lead one to believe the transcript is protected by copyright. Because tran-

scripts are in the public domain, they may be used, reproduced, and distributed by attorneys, parties, and the general public without limitation and without additional compensation to the contractor.

3) The court will make the contractor's original notes or other original records, as well as the transcript (original or redacted), available for inspection by any person without charge in the office of the clerk during regular office hours.

2. Transcripts

A. Transcription/Certification. The contractor shall transcribe and certify such parts of the record of proceedings as may be required by any rule or order of the court. The contractor shall transcribe and certify, without charging a transcript fee, all arraignments, pleas, and proceedings in connection with the imposition of sentence in criminal cases unless those proceedings have been recorded by electronic sound recording and the original recordings have been certified by the reporter and filed with the clerk. The contractor shall also transcribe any proceeding ordered by a judge of the Court, or which is ordered by a party or a member of the public who has agreed to pay the appropriate fee for the transcription.

B. Official Transcript. Under 28 U.S.C § 753(b), "The transcript in any case certified by the reporter or other individual designated to produce the record shall be deemed prima facie a correct statement of the testimony taken and proceedings had. No transcripts of the proceedings of the court shall be considered as official except those made from the records certified by the reporter or other individual designated to produce the record."

C. Transcript Format. The contractor shall comply with the Judicial Conference transcript format standards outlined in Volume 6, Chapter 5, § 520, Guide to Judiciary Policy, available at: http://www.uscourts.gov/uscourts/FederalCourts/Publications/Guide_Vol06.pdf. The maximum per page transcript rates are based on a strict adherence to the prescribed format.

D. Transcript Delivery Times. The following transcript delivery time requirements are from receipt of a transcript order or from the date of completion of satisfactory financial arrangements for payment if after the date of receipt of the order

1) Required

b) The court's certified copy (without charge) - not later than three (3) working days after original delivery to the ordering party. The contractor shall ensure physical receipt of the transcript by the clerk or his/her designee.

c) Redacted transcripts – an ordering party has the right to request a redactions within 21 days after original delivery of transcript to the clerk of court, and the contractor must deliver the requested redaction to the clerk of court not later than 31 days after original delivery of the unredacted transcript to the clerk of court, or longer if the court so orders, in the medium prescribed by the clerk.

2) The contractor shall, whenever possible, provide 14-day, expedited, daily, hourly, or realtime service at the request of the parties. - f) Realtime – A draft unedited transcript produced by a certified realtime reporter as a byproduct of realtime to be delivered electronically during the proceedings or immediately following adjournment.

- 1) Acknowledge receipt of the order in the appropriate space on the face of the order.
- 2) Enter the date the transcript will be completed. If the transcript cannot be completed within 30 days of receipt of the order, the contractor shall request an extension of time from the clerk of the court of appeals and the clerk's decision shall be entered on the docket and the parties notified.
- 3) Notify the clerk of the district court of receipt of the order, and shall, as directed by the clerk of the district court, either submit the requested transcript to the clerk of the district court for forwarding to the clerk of the court of appeals, or directly to the clerk of the court of appeals.

F. Redaction of Transcripts

- 1) The parties to a proceeding may, within 21 calendar days after delivery of the certified transcript to the clerk of court, request redaction of person information from the transcript. The contractor shall, without a court order, redact the following personal identifiers from a case transcript upon the request of an attorney to the case:
 - a) Social Security numbers (or taxpayer identification numbers) to the last four digits;
 - b) financial account numbers to the last four digits;
 - c) birthdates to the year;
 - d) individuals known to be minor children to the initials; and
 - e) in criminal cases, any home addresses stated in the court to the city and state.
- 2) All other requests for redaction of material in a transcript must be submitted by an attorney to the case to the judge. The contractor shall redact additional transcript text only upon approval of the judge. The contractor is not required to independently identify personal identifiers in a transcript for redaction; the requesting attorney must identify information to be redacted by page and line number in the Redaction Request.
- 3) To manually redact a transcript, the contractor shall place an "x" (or a black box) in place of each redacted character. Manual redactions must have the same number of x's as characters deleted (or black boxes of the same size as the deleted characters) to preserve page and line numbers of transcripts. Alternatively, software that provides for redaction may be used as long as the page and line integrity from the original transcript is maintained in the redacted transcript. The contractor shall insert a notation of "REDACTED TRANSCRIPT" on a blank line on the title page immedi-

ately below the case caption and before the Volume number and the name and title of the Judge, taking care to ensure that the addition of this text does not cause changes to the length of the title page.

4) At the end of the transcript, and without causing “page roll over” (a smaller font may be used) the contractor shall insert the following certification:

“I (we) certify that the foregoing is a true and correct copy of the transcript originally filed with the clerk of court on [Insert Date], and incorporating redactions of personal identifiers requested by the following attorney(s) of record [Insert Name of Requesting Attorney(s)] in accordance with Judicial Conference policy. Redacted characters appear as an “x” (or a black box) in the transcript.”

5) There is no requirement that any of the parties to a case purchase or be provided with a copy of any redacted transcripts. Parties shall not be charged for the redacted transcript provided to the clerk of court. The parties to the case may only be charged for a copy of a redacted transcript if they specifically request a copy of the redacted transcript.

G. Transcript Fees

1) The transcript rates of this PO apply to all orders for transcripts of proceedings recorded under this PO, including orders from other judiciary organizations, such as Federal Public Defenders and appellate courts.

2) The contractor may charge and collect fees for transcripts requested by the parties, including the United States, at the rates set forth in the Pricing Schedule. The contractor shall not add any transcript surcharges or service fees to the Schedule rates. Certified copies and certified redacted copies of transcripts delivered to the clerk for the record of the court are not subject to payment of transcript fees.

3) Judiciary policy provides that, in multi-defendant cases involving CJA defendants, no more than one certified transcript should be purchased from the court reporter on behalf of CJA defendants. CJA multi-defendant transcript orders may be requested in electronic format to simplify making multiple copies. Alternatively, if requested to do so by one of the CJA counsel or the clerk of court, the court reporter may furnish duplication services at the commercially competitive rate to provide copies of the CJA multi-defendant transcript ordered.

4) The contractor may require any party ordering a transcript to prepay the estimated fee in advance, except when payment will be made by the United States. The Court shall have no liability to the contractor for payment of transcript fees for transcripts ordered by private parties.

5) Ordinary postage costs are considered an ordinary business expense, and therefore may not be charged. If a party requests expedited delivery, the contractor may bill the party for the difference between ordinary postage costs and the cost for expedited delivery.

6) The contractor is required to certify the following on each transcript invoice:

“I certify that the transcript fees charged and page format used comply with the requirements of this court and the Judicial Conference of the United States.”

7) No fee may be charged that would be higher than the fee corresponding to the actual delivery time. Sanctions for overcharging parties or the court for transcripts may include offsets against future government payments, termination of the PO, and/or other available legal remedies.

H. Delinquent Transcripts – Reduction of Fees

- 1) Delivery of a transcript between 31 and 60 days after the date ordered (or the date estimated payment is received, if after the date ordered) shall be paid at 90 percent of the prescribed fee.
- 2) Transcripts delivered more than 60 days after the date ordered (or the date estimated payment is received, if after the date ordered) shall be paid at 80 percent of the prescribed fee.
- 3) The Contracting Officer may grant a waiver of the above price reduction upon the written petition of the contractor stating that the contractor did not receive timely notice of the transcript order and/or satisfactory financial arrangements were not made.

3. Filing and Reporting Requirements

- d) authorized applicable rate(s) under the Pricing Schedule;
- e) extended totals;
- f) number of any overtime hours, by day, hourly rate, and extended totals (if applicable);
- g) transportation and subsistence expenses for reporting services under paragraph 5 if authorized for the specific proceeding (receipts must be provided with the invoice); and
- h) any credits or other deductions (if applicable).

2) Transcripts. Transcript fees do not apply to transcripts delivered for the records of the court in accordance with Paragraph 1.A.4) above. Additional transcripts ordered by a judge or the court may be invoiced at the stated fees. Invoices shall be submitted to the contracting officer or his/her designee within 45 days after delivery of the transcript. Each invoice for transcripts shall contain the following information:

- a) order/call number;

- b) Transcript Order number;
- c) case name and case number;
- d) date of proceeding(s) transcribed;
- e) name and title of the ordering judicial official;
- f) type of transcript (ordinary, 14-day, expedited, daily, hourly);
- g) number of pages of transcript and the per page rate;
- h) extended totals; and
- i) amount of any credit for delinquent delivery or other deduction, if applicable.

C. In the event the contractor fails to include any credit or other deduction on an invoice, the Court may compute the credit and effect a setoff, reducing the payment accordingly.

8. Computation of Appearance or Cancellation Fees

A. The half-day rate applies when the contractor/reporter is present at the designated assignment location for 4 hours or less.

B. The full-day rate applies when the contractor is present at the designated assignment location longer than 4, but not more than 9, hours. The full day rate also applies when the contractor has been instructed to be present at the designated assignment location during both the morning session and the afternoon session regardless of the actual number of reporting hours. For example, if the reporter is required to be present at the designated assignment location from 11:00 a.m. until 2:00 p.m., the full-day rate will apply.

C. Overtime rates apply for each hour after nine (9) hours required to be worked by a reporter during an assignment day.

D. The court reserves the right to cancel any order, without penalty or charge, provided the contractor is notified prior to 4:30pm of the workday immediately before the day of the proceeding. Telephonic notification shall be confirmed by written follow-up (e-mail, fax, etc.). In the event a proceeding is cancelled after 4:30pm of the prior day, and the reporter arrives as previously ordered, the contractor shall be paid a cancellation fee equal to the stated half-day rate.

9. Failure of Qualified Reporter to Appear

A. If the contractor fails to appear at the time and place specified for the proceeding, or if the contractor provides a reporter who does not satisfy the qualification requirements of this PO, the Court may:

- 1) Procure the services of a substitute, and the contractor shall be responsible for all costs in excess of the reporting services costs the Court would have incurred if the contractor had performed the work in accordance with this PO. The contracting officer shall deduct such excess costs from any sums payable or which become payable to the contractor.
- 2) Delay the proceeding until the contractor arrives. If the full day rate applies, and the contractor arrives at the proceeding thirty (30) or more minutes late, the reporting fee for that day shall be reduced by one-twelfth (1/12) of the daily rate for reporting services for each increment of thirty (30) minutes of lateness, or fraction thereof. If the half day rate applies, and the contractor arrives at the proceeding thirty (30) or more minutes late, the reporting fee for that half day shall be reduced by one-sixth (1/6) of

the half-day rate for reporting services for each increment of thirty (30) minutes of lateness, or fraction thereof.

B. The rights and remedies of the Court under this paragraph are not exclusive and are in addition to any other rights and remedies which this PO or the law provides.

C. If the contractor reports for an assignment but does not complete the assignment due to illness, personal reasons, or any other reason, the rate paid will be determined by the amount of time the contractor actually performed services.
