It is the Court’s desire to minimize the amount of time required of counsel and therefore the expense to the parties to comply with the requirements of the Court and the needs of the matter to be considered. Accordingly, if any counsel prefers that the pre-trial conference be conducted by means of conference telephone call, such counsel should contact other counsel to see if there is agreement to such effect and, if so, for Judge Connelly's cases contact the Harrisonburg Clerk's office at (540) 434 -8327 or for Judge Stone’s cases contact his chambers at (540) 857-2394, as may be applicable to arrange a mutually convenient date and time for such a call.

The ground rules are as follows:

1. Except for good cause shown, such conference call for the initial pre-trial conference will be subject to the unanimous agreement of counsel and will only be available where all parties are represented by counsel.
2. Counsel must agree on which of them will be responsible to initiate the call and shall so advise the Judges’ office at the time of the call.
3. Such calls, except for good cause shown and unless prior arrangements are made, will be conducted without a court reporter. Should counsel wish a record of any conference call, counsel must arrange for a court reporter.

RE: SERVICE OF PROCESS OF SUMMONS AND COMPLAINT

Dear Mr. Copeland:

Pursuant to the Complaint filed by you in accordance with **Bankruptcy Rule 7001**, the Summons and Notice of Trial (or Pretrial) is to be served by you on each of the defendants, pursuant to **Bankruptcy Rule 7004**.

NOTE: The Summons and Notice will not be sent by regular mail to electronic users. Electronic users should print a copy of the Summons from the Notice of Electronic Filing for issuance of service.

The Summons and Complaint should be served forthwith, and certified mail, return receipt, is acceptable under **Bankruptcy Rule 7004**. Upon return of the receipt showing service by mail, the receipt should be filed in this office as evidence of service.

It is incumbent upon counsel to see that proper service of process is made. In the event the mail certification does not show proper service, then it is advisable to have additional service made in person so that there will be no question that service of process has been duly made in this case.

AT THE DIRECTION OF THE COURT
